AND

Home Ownership or Tenancy Directory

Showing 1531

A, The exact location of each Street

B, The name of the occupant AT EACH NUMBER ON EVERY STREET

C, Whether occupant at each number is the Owner or Tenant

also An Alphabetical List of Streets in Adjoining Municipalities

To find the occupation of individuals refer to the Alphabetical List of Names.

Following each business, or professional name, is shown the occupation in which they are engaged. A fuller explanation will also be found in the alphabetical section.

1. **The black numerals following each street indicate the postal district.**
2. **The streets marked ✢ are in the suburbs.**
3. **The Symbol (*) following the residence number, indicates that to the best of our knowledge someone living in the house is the owner.**

   This Home Owners and Tenants Directory is compiled from information taken on a special house-to-house personal canvass. We do not guarantee to be absolutely correct in every detail, but we believe it to be accurate and complete, as far as it has been possible for us to get the information personally from someone at each residence. Where occupants have been absent the "owner" information has been left out.
4. **Telephone numbers, as supplied to us on our enumeration are shown opposite names.**
